ORDER TO SATISFY OR ANSWER

On May 15, 1992, Henderson-Union Rural Electric Cooperative Corporation ("Henderson-Union") filed a complaint against Kentucky Utilities Company ("KU"), the University of Kentucky, and the Henderson Community College. The complaint alleges that KU, University of Kentucky, and Henderson Community College are in violation of the Electric Territorial Boundary Act, KRS 278.016 through 278.018. The Commission notes that under KRS 278.030 our mandate is to regulate only utilities and our jurisdiction extends to the rates and service of utilities. Though the University of Kentucky and Henderson Community College are necessary parties, their characterization as Defendants before this Commission is inappropriate because the Commission cannot address grievances against them. The University of Kentucky and Henderson Community College are hereby served a copy of the complaint as parties.

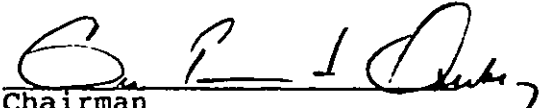

KU is hereby notified that it has been named as defendant in a formal complaint filed on May 15, copies of which are attached hereto.

Pursuant to 807 KAR 5:001, Section 12, KU is HEREBY ORDERED to satisfy the matters complained of or to file a written answer to the complaint within 10 days from the date of service of this Order.

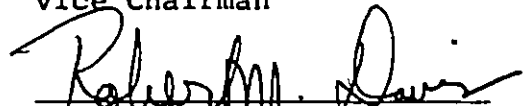

Should documents of any kind be filed with the Commission in the course of this proceeding, the documents shall also be served on all parties of record.

Done at Frankfort, Kentucky, this 3rd day of June, 1992.
